

IN REMEMBRANCE OF THOSE LOST.
IN TRIBUTE TO THE HEROES.

As we mark the first anniversary of September 11th, words cannot express the deep sense of sorrow and loss we share with all Americans. We will never forgive the perpetrators, nor forget those who suffered. We remain committed to ending the scourge of terrorism in alliance with the United States and the world community; and dedicated to a future where children of all nations can live without fear and flourish in peace.
